

STOP REFORM UK

5 REASONS TO VOTE AGAINST FARAGE

.....

REFORM says it is the party that's on the side of ordinary people against the elite. It's a lie. It's a far right racist party that says it is anti-establishment but helps the enemies of working people.

USE YOUR VOTE TO STOP REFORM UK

1 REFORM IS STUFFED WITH EX-TORIES

More than 20 former Conservative MPs have scuttled off to Reform, about half of them former ministers. These people entered politics to slash public services, cut tax for the rich, smash workers' rights and gut trade union strength. And now they've decided Reform is the best place to do it.

The 14 Tory years from 2010-2024 were a disaster. Don't give these villains another chance.

2 THEY'RE MILLIONAIRES

Top figures in Reform are super-rich parasites.

In January Farage had to apologise after breaching the MPs' code of conduct 17 times by failing to declare £380,000 of income on time.

Farage missed the launch of its Gorton and Denton candidate Matt Goodwin in the by-election because he was in Dubai hosting a lunch with the backing of billionaire Sunny Varkey.

Multi-millionaire Reform MP Richard Tice's property company paid no corporation tax on multimillion-pound profits for most of 2018-21, avoiding nearly £600,000.

3 THEY'RE RACIST

Farage went to school at the posh private Dulwich College. Testimonies from teachers and pupils remembered Farage saying, "Hitler was right!", "Gas 'em!", and giving Nazi salutes.

In 2014 he said "parts of Britain are now unrecognisable and look like a foreign land" because of migration. During the 2024 general election, he suggested Muslims in Britain "do not subscribe to British values".

A recent poll of Reform members showed 54% wanting non white UK citizens born abroad to be deported.

This kind of racism means violence, hatred and division. It wrecks lives and encourages attacks on black people, Asians and Muslims. It also distracts attention from the people at the top who fill their pockets while we fight one another.

4 REFORM IS A TOOL OF THE RICH

Farage wants to wreck the NHS. He said he was "open to anything" when it comes to replacing the present health service with "an insurance-based model".

Migrants helped to build our NHS. Reform UK's policies are set to destroy it.

All Reform MPs voted against improving workers' rights, including on sick pay and leave for new parents.

Farage said, "We will be the most pro-business government this country has seen in modern times."

When Reform takes over a council it slashes vital services and attacks workers' pay, jobs and pensions.

5 REFORM LOVES TRUMP

Donald Trump has unleashed state thugs to attack, deport and even kill people standing up to his rule. But Reform wants to copy his vile policies.

Farage says, "I have drawn amazing inspiration from Trump's movement. I'm the only figure that has consistently stood behind Trump."

He has racked up more than £151,000 in donor-funded flights to support Trump since entering Parliament.

DON'T VOTE REFORM. ELECTING FARAGE'S PARTY WON'T BUILD HOMES OR RAISE WAGES. WE NEED TO UNITE FOR A BETTER FUTURE, NOT BE DIVIDED.
