DON'T VOTE FOR SEXIST REFORM UK

Nigel Farage is a racist, a billionaire, a bigot, and a hypocrite. But, he's also a vile sexist and he and his party, Reform UK, are coming for women's rights.

REFORM ARE NOT THE PROTECTORS OF WOMEN

Reform talks about "protecting" women and girls by scapegoating migrants and spreading racist lies. Despite their lies, refugees are no more likely to commit sexual assault than the rest of the population.

Reform has no solutions for women's safety and nothing to say on the 90% of cases of violence against women where the perpetrator is someone they know.

REFORM WANT TO TURN THE CLOCK BACK ON WOMEN'S RIGHTS

Nigel Farage has openly targeted a woman's right to choose. He said British abortion laws are "totally out of date". Reform policy head James Orr is a hardline opponent of abortion even in cases of rape or incest.

Reform MP Danny Kruger supports reversing no-fault divorce laws, making divorce harder.

Matt Goodwin, failed candidate in the Gorton and Denton by-election, has suggested... introducing a "negative child benefit tax" on women without children.

He also called for "young girls and women" to be given a "biological reality" check.

REFORM HATE EQUALITY LAWS

Reform MP Suella Braverman brags that she wants to rip up the Equalities Act that protects maternity rights and discrimination against mothers and pregnant women.

Farage has attacked diversity, equity and inclusion (DEI) policies and the council jobs that come with them. And when asked about why more men are in top jobs than women, he said men are more prepared to "sacrifice their family lives".

REFORM LOVE DONALD TRUMP

Nigel Farage is good friends with Donald Trump, sexual abuser and friend of Jeffrey Epstein. Farage defended Trump's infamous "grab them by the pussy" remarks as "locker room banter".

Farage's name appears 41 times in the Epstein files.

Reform treasurer Nick Candy was in touch with Ghislaine Maxwell who is currently in prison for child sex trafficking. Yet they have nothing to say about the elite grooming gang.

REFORM IS FULL OF SEXISTS

Farage was pictured smirking with gross misogynist and alleged sex trafficker Andrew Tate. He says Tate is an "important voice for men".

James McMurdock MP left Reform after allegations of financial misconduct. But Farage had no problem with the fact he was previously jailed for repeatedly kicking his ex-girlfriend. Farage defended McMurdock as a "good example" and said the assault was "irrelevant".

In 2025, Farage claimed straight relationships are more stable than gay ones. He has promised to "ban transgender ideology in schools".

Reform UK have nothing to offer except racist lies. Their attacks on pensions, jobs and the NHS will hit women hardest. Don't vote sexist. Don't vote Reform UK.
